

LoveUrns® is dedicated to helping people find the right cremation urn or memorial product to hold the ashes of a treasured loved one.

Our choices are beautiful, made with care, popular with today's families.

We know a cremation urn is a purchase no one wants to make, so the LoveUrns® team has a shared commitment to being as helpful as possible.

To us, being helpful means: urns that we would recommend to our family members and friends, lots of images and information about every product, and of course a friendly, caring customer service team.

This catalog is designed in such a way so that it can help you make that selection.

LoveUrns® is a family-owned company having distribution centers in three countries.

We take great pride in manufacturing beautifully designed urns with precise attention to detail and with the very best of traditional craftsmanship. At the core of our work is to provide comfort to the families.

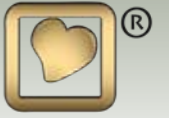

Handcrafted with Love™
from our family to yours.

We have combined a memorial candle with a small compartment for holding ashes.

These tealight urns can be placed in the home as a memorial.

Many people find that lighting a candle allows them to express their love and remembrance, and that the candle lighting ritual can be comforting.
